BOGOTÁ - COLOMBIA

POLICIES FOR THE REALIZATION OF SOCIAL EVENTS

For the optimal development of the different activities of your company in the International Industrial Fair of Bogotá Corferias establishes policies for the realization of social events, which seek to contribute with the participation and fulfillment of objectives of our exhibitors; generating a pleasant, social and commercial.

Social, artistic or cultural events involving the supply and tasting of liquors and food should be reported to Corferias for approval (Project Headquarters) in advance of the start of the fair, who with previous analysis of the type of event, objective of the same, profile and number of attendees, site and schedule of realization, will authorize or deny it. The Exhibitor must sign a commitment with Corferias to comply with the logistical and security conditions that this requires
